You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God.

PASS IT ON...

On His Path needs your help in collecting braces to send to children in need of the Ponseti Brace. You can donate your child's used brace and On His Path will refurbish and distribute it to children in developing countries at no charge. If you don't have braces to give but would like to support our effort, you can include a monetary gift that will go directly to the foundation and will be applied to the greatest need.

Please join us in this effort to help heal children with disabilities all around the world!

THANK YOU FOR YOUR KIND DONATION!

On His Path is a private, non-profit foundation, which was formed in 2009 by John and Jean Mitchell, for the purpose of manufacturing and distributing a superior low-cost clubfoot brace to developing countries. The clubfoot braces have been designed to provide an ideal option to maintaining correction of the clubfoot utilizing the Ponseti Method of clubfoot treatment. On His Path is passionate about helping those who cannot help themselves. In addition to the clubfoot treatment initiative, On His Path is focused on bringing potable water and adequate nutrition to the developing world. On His Path is committed to bringing hope and support to those in need.
